

NEW !

Dimarco

Variety properties

- Early variety
- Winter wheat
- Excellent milling properties
- High yield potential
- High specific weight

Agro-technical characteristics

- Sowing norm: 450 - 500 germinated grains/m²
- Height: low
- Ear type: with awns
- Excellent resistance to cold

Disease resistance

- Fusarium:
- Powdery mildew:
- Yellow rust:
- Septoria:

Milling characteristics

- A2 - B1 quality
- Protein > 12,5 %
- W: 170 - 210
- P/L: 0,2 - 0,4
